

Yoram Bauman 2018

yoram@standupeconomist.com

Education

University of Washington, PhD, economics **2003**

Dissertation: "The Effects of Environmental Policy on Technological Change in Pollution Control"

Fields: environmental economics, public finance. Other interests: health economics, game theory, economics education

University of Washington, MA, economics **2000**

Reed College, BA, mathematics **1995**

Thesis: "The Abelian Group Structure on Elliptic Curves Saved My Life!"

Employment

Stand-up economist (www.standupeconomist.com) **2004 – Present**

Performances worldwide as "the world's first and only stand-up economist". Also the co-author of *Cartoon Introductions to Economics, Climate Change, and Calculus* and the former co-editor for Miscellany of the journal *Economic Inquiry*. Also the star of a series of internet videos for the Ford Transit Connect van in 2014.

University of Washington, lecturer **2006 – 2012**

Part of an interdisciplinary team teaching environmental studies and environmental economics in the [UW Program on the Environment](#). Also taught at UW during graduate school (introductory and intermediate micro) and at Whitman College in 2004-05 (game theory, health economics and entitlements, micro).

UIBE (Beijing), visiting research scholar **July – Nov 2011**

Conducted research on climate change economics and carbon taxes at the Global Institute of Low Carbon Economy, part of the School of International Trade and Economics at the [University of International Business and Economics](#).

Books and reports

The Cartoon Introduction to Calculus (forthcoming, 2018)

The Cartoon Introduction to Climate Change (2014)

The Cartoon Introduction to Economics, Volume Two: Macroeconomics (2012)

The Cartoon Introduction to Economics, Volume One: Microeconomics (2010)

These books were all co-authored by Grady Klein and Yoram Bauman and published by FSG/Macmillan (except for *Cartoon Climate Change*, which was published by Island Press.) Excerpts can be found at <http://www.standupeconomist.com/books>, which also has details on foreign translations in over a dozen languages!

Opportunities for Carbon Taxes at the State Level

By Yoram Bauman and Charles Komanoff (web-published, 2017)

This evaluation of the political, economic, and legal issues surrounding carbon taxes in all 50 states (plus D.C.) is available at <https://www.carbontax.org/states/>.

Stand-Up Economics: The Micro Textbook (web-published, 2001)

Available at <http://www.standupeconomist.com/books>. This is an introductory microeconomics textbook (and a calculus-based intermediate microeconomics textbook) that begins by studying the individual (the “quantum” of economics) and builds up to analyses of game theory and competitive markets.

Impacts of Climate Change on Washington's Economy: A Preliminary Assessment of Risks and Opportunities

By Bob Doppelt, Sarah Mazze, Edward C. Wolf, and Yoram Bauman (Washington State Departments of Ecology and CTED, Publication No. 07-01-010, Nov 2006)

This report focuses on the projected economic impacts of climate change in the first half of the 21st century in economic sectors including agriculture, forestry, hydropower, municipal water use, public health, and snow sports.

Tax Shift

By Alan Durning and Yoram Bauman (Sightline Institute, 1998)

A study of environmental tax reform opportunities in the Pacific Northwest; more information and full text at http://www.sightline.org/research_item/tax/.

Yoram Bauman, 2003. "[Mankiw's Ten Principles of Economics, Translated](#)", *Annals of Improbable Research*, March/April. (Presented at AAAS on Feb 13, 2004.)

Community activities

Carbon Washington (www.carbonWA.org / www.YesOn732.org) **2010 – 2016**

Founder and co-chair of the first-ever carbon tax ballot measure in the U.S., the Initiative 732 revenue-neutral carbon tax campaign in Washington State. (Sadly, it lost at the ballot in November 2016.)

Sightline Institute (www.sightline.org) **1997 – 2016**

My joke is that I had every job at Sightline that didn't involve getting paid. Most recently I was a [Sightline Fellow](#), previously I was an intern and volunteer.

Non-Profit Comedy **2006 – 2011**

Founded and co-produced (with Rosalie Gale) the [Non-Profit Comedy](#) benefit show at Seattle's Comedy Underground that raised \$100,000 for local non-profits.

Personal

Residence: Salt Lake City, Utah

Birthplace: San Francisco, California

Languages: Spanish (very good but not fluent), Chinese (basic)
